The enlargement of the LOAN Market so as to cover the wants and necessities of the large number of honorable people who are not owners of unincumbered Real Estate was one of the most necessary innovations of recent years. To many it has meant relief from pressing claims at the very time when most essential. When properly and honorably conducted this business is of equally great importance and value to the community as Building and Loan Associations have proved themselves to be.

The Hawaiian Investment Co.

Makes a specialty of Negotiating and Pro-curing Loans for Borrowers who are un-able to discount their Notes at the Banks and who do not care to obligate them-selves to some friend or acquaintance by asking his endorsements to their Note. This Company will make Loans upon Household Furniture, Pianos, Organs, Horses, Mules, Wagons, Carriages and Personal Property without removing the Property from the Borrower's possession, and all business will be conducted on a STRICTLY CONFIDENTIAL BASIS.

> The business of the country is settling into its former groove. Our gentlemanly driver has returned from his vacation, the cows in the pasture switch flies instead of bullets with their tails and the cream is richer in consequence. We believe we have satisfied every one of our customers who have taken milk from us and we are in a position to supply a great many more. The people who from choice or necessity visited Waialae during the past two weeks have had an opportunity to see just what sort of diet our stock feeds upon, and no longer wonder at the richness of the milk from our dairy. Our facilities for delivery are the best. With the exception of a day or two early in the late unpleasantness our drivers have always been on time at our customers' residences. We take this opportunity to thank

FIFTH DAY.

Afternoon Session The Court sustained the objection, and Neumann asked that a protest

be entered on the record.
Paul J. Voeller, sworn, states: Work with Hustace, the grocer; Guliek's house is across the street from the store; know Gulick, Now-lein, Seward and Rickard; they were frequent visitors at Gulick's house; visits began about the early part of December; sometimes visits were made three or four times a day.

Cross-examination - Saw Seward go there about forty or fifty times; he went there in a buggy; visits were made before Seward went away during the middle of December and after he came back from San Fran-Charles Hustace, sworn, states: Am a grocer on King street, oppo-site Gulick's residence; am acquaint-

going into Gulick's house; sometimes Nowlein and Rickard together, and sometimes singly. Cross-examination - Saw Seward

ed with prisoners; have seen them

go there oftener after he returned from the Coast. William F. Kase, sworn, states: Have been private secretary for the Queen ever since the overthrow; was 24 years of age last September; remember doing engrossing last part of December; it was Constitution; it was placed in his hands about the last week in November; it was in Charles Gulick's handwriting; know that it was Gulick's handwriting be. that it was Gulick's handwriting because he had seen his writing in the office of the Registrar of Conveyances; after engrossing the Consti-tution handed the original and the copy to Nowlein; there were cop ANNOUNCEMENT! of commissions, proclamation and martial law; these were separate copies and were turned over to the Queen; worked in the office of the Registrar of Conveyances ten months as copyist; took down blanks of commissions to Gulick for instruction; these were for Cabinet Ministers, Associate Justices, Governors and Marshal; Gulick said that he

had already sent up the forms; the commissions were issued to R. W. Wilcox, Minister of Foreign Affairs. S. Nowlein, Minister of Interior.

Chas. T. Gulick, Minister of Fi-C. W. Ashford, Attorney-General. Associate Justices - Antone Rosa and V. V. Ashford. Governors—A. S. Cleghorn, Oahu; Jos. Nawahi, Hawaii;

D. Kawananakoa, Maui; J. Kalanianaole, Kauai; Marshal - W. H. Rickard. Sam Nowlein, recalled—Received forms of proclamations and commissions from Gulick through Rick-L. B. KERR, - IMPORTER, ard; after they were engrossed did not see them any more; the form of the constitution, original and en-

grossed copies, were handed by witness to Gulick. Cross examination - Part of the draft of the constitution was in Gulick's handwriting; saw him write

case for the prosecution at 4:30 o'elock. Neumann requested that the de-fense be given sufficient time to prepare their case. The rule in a Courtmartial is that the prisoners may make a written statement to the Commission and he would ask that privilege of the Court.

The privilege was granted by the Court. Neumann then asked that the hour be not made any earlier than 9:30 o'clock. The Judge Advocate offered the

services of a stenographer in case the defendants were unable to complete their statements in longhand. Accepted. The Court was then cleared until 9:30 o'clock Wednesday morning.

Chamberlain's Cough Remedy is famous for its cures of bad colds. It opens the secretions, relieves the lungs and aids nature in restoring the system to a healthy condition. If freely used as soon as the cold has been contracted, and before it has become settled in the system, it greatly lessens the severity of the attack and has often cured in a single day what would have been a severe cold. For sale by all dealers. Benson, Smith & Co., Agents for Hawaiian Islands.
